### PROJECT

# C. L. E. A. R.

(Continuing Legal Education Annual Requirements)

**Twelve Credits on Four CD ROMs**

The Academy's newly developed CD ROM set contains five CLE programs (streaming video presentations plus related course materials) – for a total of twelve credits in one easy-to-store CD jewel case. Created from a selection of some of our most popular live offerings, the CD ROMs cover:

- **Condominiums, Coops & HOA's** . . . . . 3 credits
- **Matrimonial: Enhanced Earning Capacity** . . . . . 3 credits
- **Ethics in a Technologically Driven Legal World** . . . . . 3 credits
- **Revocable Living Trusts** . . . . . 2 credits
- **Malpractice Insurance: Assessing Your Risk** . . . . . 1 credit

**TOTAL . . . . . 12 Credits** (including four in Ethics/Professionalism) [Non-Transitional]

The C.L.E.A.R. program was developed in recognition of the fact that, despite the best intentions, busy lawyers often find themselves in need of MCLE credits at the last minute. There's virtually no faster way to fulfill requirements than with this CD ROM set. It will be shipped to you immediately, and you will be able to start earning your credits at once, on your office or home computer. The CD ROMs are easy to use and easy to store (the course materials are right on the disks, making for less clutter – but if you want to print them out, you can). Receiving your credit is easy too and requires only the completion of a simple questionnaire/certification. Most important, you will gain valuable insights and information from some of our best presenters.

So don't wait and don't worry. The Academy's CD ROM set is the "C.L.E.A.R." **CHOICE** for busy lawyers in a hurry! To place your order, return the coupon below or call 631-234-5588.
