The Suffolk County Bar Association is a professional organization, incorporated since 1908, whose purposes include cultivating the science of jurisprudence, promoting reforms in the law, facilitating the administration of justice, elevating the standard of integrity, honor and courtesy in the legal profession and cherishing the spirit of brotherhood among our members. In doing so, the Association seeks to involve and encourage our surrounding community in pursuing these endeavors and accomplishing these ideals.

In order to promote good citizenship and social awareness, the Suffolk County Bar Association has established this award for a public or private high school senior within the county who plans to attend a four-year (or greater) college or university program immediately following graduation. Its purpose is to encourage students to view themselves as valued members of the community beyond the bounds of their school district and to encourage them to contemplate issues of greater social significance.

To be eligible, a completed application form including a typed essay, together with two confidential letters of recommendation, high school enrollment verification form and recent high school transcript, must be received **at our headquarters collectively no later than 5:00 p.m., Friday, March 25, 2016.** Only complete applications will be considered. Our Scholarship Committee will select a winner and you will be notified if a student in your school is selected for this honor by Friday, April 22, 2016. The winner will receive a \$1,000.00 scholarship and be presented with an award at the Suffolk County Bar Association's Annual Meeting on **Monday, May 2, 2016**, as well as at any school awards ceremony your district may conduct.

I am confident that you will make every effort to provide this information and an application form (quality photocopies are acceptable) to appropriate candidates within your school. Thank you in advance for your participation.

Sincerely,

Donna England
