The Suffolk County Bar Association is a professional organization, incorporated since 1908, whose purposes include cultivating the science of jurisprudence, promoting reforms in the law, facilitating the administration of justice, elevating the standard of integrity, honor and courtesy in the legal profession and cherishing the spirit of brotherhood among our members. In doing so, the Association seeks to involve and encourage our surrounding community in pursuing these endeavors and accomplishing these ideals.

In order to promote good citizenship and social awareness, the Suffolk County Bar Association has established this award for a public or private high school senior within the county who plans to attend a four-year (or greater) college or university program immediately following graduation. Its purpose is to encourage students to view themselves as valued members of the community beyond the bounds of their school district and to encourage them to contemplate issues of greater social significance.

Our Scholarship Committee will select a winner and you will be notified if a student in your school is selected for this honor by **Tuesday, April 30<sup>th</sup>, 2019.** The winner will receive a \$1,000.00 scholarship and be presented with an award at the Suffolk County Bar Association's Annual Meeting on **Monday, May 6, 2019,** as well as at any school awards ceremony your district may conduct.
